

Travels with Olivia

This year - 2008 - we completed our travels with Olivia (a 1970 Lancia Fulvia 1.6HF rally car) by participating in the 50th Rallye San Remo in Italy and the WRC Rally of Spain. Over the last six years "Olivia" has taken me to seven great European Rallies. She is now for sale in Europe, while I consider building a replica!

Checking the course at San Remo

Our team at San Remo

Some of the amazing scenery near San Remo

The Italian Polizia are always ready to oblige!

That's our spare tyre in front of Sebastian Loeb's at the Rally of Spain

Ready to start the Rally of Spain
